RE: J. Robert Roofing BBB 2012 Integrity Award

To Whom It May Concern:

I am excited to hear that Bob Seeman/J. Robert Roofing has been nominated for the BBB 2012 Integrity Award. J. Robert Roofing has been a long time business associate of Gulfeagle Supply starting years ago with AH Bennett. As a supplier, many times we get feedback from homeowners on how a particular contractor has performed and how their experience was on the project. Many people only replace a roof once or twice in a lifetime so it can be a very intimidating experience. With J. Robert Roofing, the feedback has always been great.

In fact, Gulfeagle Supply gave out our first annual 2012 President's Club Award earlier this year. This award went to only 5 select roofing contractors from our Minneapolis branch in which J. Robert Roofing was one of them. This award went to companies that demonstrated great trustworthiness, had good financial credentials, and displayed top professional in the roofing trade.

I wish Bob well in receiving the Integrity Award and please contact me if you have any other questions.

Sincerely,

Brad Resch
