Subject: Bob Seemann – J Robert Roofing

To Whom It May Concern:

I have met Bob Seemann of J. Robert Roofing on several roofing projects over the past few years. I would like to recommend Bob for the BBB Integrity Award. Bob is a hands-on owner who has always been on time for scheduled inspections and always has his paperwork in order and his work is compliant with the Minnesota State Building Code.

Bob is currently in good standing with the City of Edina Building Department with no outstanding open permits.

I have always found Bob to be very personable and pleasant to do business with. Please give him consideration for this award.
